

Australia's first, Ground breaking, fully automated Online SMSF Auditing Software

You are invited to Online SMSF Audit workshop to become a **Certified Online SMSF Audit** user. Learn how our audit software can benefit you and your clients. Be a better auditor, and meet & exceed professional audit requirements, drive SMSF compliance and increase audit effectiveness.

Classroom training environment gives you an opportunity to step away from the distractions of your office and learn from our experienced trainer. This presentation details online audit software functionalities & features and demonstrates how you can save half your audit time and enhance profitability of your business in a more exciting and effective way.

Online SMSF Audit offers auditors superior analysis and enables them to double audit efficiencies by issuing reports and storing audit working papers and audit evidence online.

You have the knowledge We have the tools

Speakers

Time: 02.00 PM

Chris Ketsakidis

Partner Corporate Advisory Superannuation

Chris specialises in superannuation and financial services advice for a broad range of industry participants, including public offer and public sector superannuation funds, corporate funds, responsible entities, worker entitlement funds and their service providers. Chris advises on all investment, regulatory, compliance, tax and contractual issues, including issues arising from disputes, regulator actions, royal commissions, superannuation product offerings, fund mergers, and outsourcing arrangements. With over 25 years' experience, Chris is known for his breadth and depth of knowledge, technical expertise, lateral thinking and strategic acumen which he draws on regularly to resolve client issues or assist them to achieve their goals.

Time: 03.00 PM

Manoj Abichandani

ASIC approved SMSF Auditor, B.Bus(UTS)
SMSF Specialist (UNSW) CTA FIPA LREA

Manoj has worked in SMSF space for over 25 years, first as an SMSF specialist advising over 600 funds with a CPA firm and later as an SMSF auditor. He develops and lectures on strategies which are practical and enhances retirement benefits of trustees. He has been working for the last 6 years in writing and developing online SMSF audit software - Australia's first SMSF auditing tool.
