

SMSF AUDITORS ASSOCIATION OF AUSTRALIA

Auditors Day - Melbourne & Sydney

SMSF Auditors Association of Australia Ltd presents its first full day event for SMSF Auditors.

SMSF Auditors Association of Australia

SMSF auditors were not being represented solely by any one professional body. Hence on 3rd July 2018, 5 SMSF auditors got together and set up a company limited by guarantee to benefit all SMSF Auditors. Their first agenda was to get together and lodge a submission to the treasury on their move to 3 year audit cycle.

SMSFAAA.com.au is only for SMSF Auditors and intends to serve their fellow auditors with a low monthly fees of \$20 + GST. Membership runs from July to June each year. It insists its members follow the utmost level of professionalism and prosper together with sound and ethical professional development. Collaboration between members is an intelligent way to support each member to attain success.
